Hours
Completed

PRACTICUM GOALS

1. Apply academic program concepts to the activities and projects assigned at the practicum site.
2. Cultivate a productive working relationship with the organization through strengthening communication and professional skills.

PRACTICUM SUPPORT

- We provide assistance throughout the entire process, with:
1. Brainstorming and coaching on where to go for a practicum
 2. Connection to options and organizations
 3. Providing mentorship

What do you looking forward to the most in working in this field?
